

¹ Jackson styles his submission as “DEFENDANT’S PETITION REQUESTING REMOVAL OF CAREER OFFENDER STATUS” (ECF No. 211). Jackson asserts that in 1994, the court improperly imposed an enhanced sentence in his case based on a prior conviction that does not qualify as a crime of violence as required to support enhancement. On this ground, Jackson asserts that he is now entitled to be resentenced. Jackson cites no authority on which the court could revisit his sentence based merely on his present assertions, and I find none.

same conviction and sentence, *See Jackson v. United States*, Case No. 7:05CV00781 (W.D. Va. Jan. 3, 2006) (unpublished). Because Jackson offers no indication that he has obtained certification from the court of appeals to file a second or successive § 2255 motion, I must dismiss Jackson's current action without prejudice.

A separate Final Order will be entered herewith.
